Planet Fact File Homework-

Monday 16th February-

(to be handed in on Friday 20th February)

As part of this term's topic 'Space' we have been looking at all of the different planets.

Design an information poster about your **favourite planet**.

You could include facts about – climate, distance from the Sun, length of a year, number of moons, temperature, atmosphere, interesting information etc.

A3 paper will be provided by class teacher, but feel free to use any other materials that you have at home. Please include pictures- either printed or drawn.

Each child will be presenting their poster to the class.

We look forward to hearing all the fun facts and interesting information that your child has found out!
