COVID-19 UPDATE

Dear Parent/Carer,

As you may be aware, the guidance for adults/pupils who test positive for covid has now changed.

The current period of isolation is now 5 full days (the day of testing is counted as day zero) Pupils may return following a negative lateral flow test on days 5 and 6.

Due to the continued number of positive cases across the school we would continue to ask that if anyone in your household tests positive then children/siblings should stay off as well. We will provide remote learning for these pupils and for pupils who have tested positive. However, if their class teacher is also off ill, it may take a little longer to organise this and we would ask for your patience.

If you need to contact the school out of hours you should contact this number: 07783 300575 **or email: hbrown539@c2kni.net**

Once again please do not send your child to school if they are unwell in any way.

You may also consider regular lateral flow tests for your child as a precaution.

You can order a Lateral Flow test kit, which includes seven individual tests, online at www.gov.uk/order-coronavirus-rapid-lateral-flow-tests, or by phoning 119. You should receive your Lateral Flow home test kit within two days. You can also collect Lateral Flow test kits from local pharmacies.

We are continuing with the high standards of cleaning and hygiene across the school to try to reduce the spread of covid-19. You may wish to send in a hand sanitiser for your child to use as an additional precaution.

Thank you for your ongoing support.

Sincerely

H Brown
